Summer Holidays

I always enjoy summer, I like to relax and forget about school. I don't have to wake up early and I can see my friends any time I want.

My holidays are usually with my parents. We go different places in Britain and sometimes abroad. In Britain, I like going to Devon, Somerset and Scotland- but my favorite place of all is Yorkshire. It has a lovely countryside and fantastic old buildings. The only problem is the weather! Last summer, I had two holidays. One was in Somerset, in a little village by the sea, and another was in Naples in Italy.

Hi James,

Now, I'm on holiday in Phuket with my friends for three weeks and the weather is very sunny every day. We are staying at a hotel with a swimming pool. I love swimming in the sea too. There were some amazing fish and I took photos of them. Phuket is a beautiful place and the people here are so friendly. Tonight, we are going to see a show. I don't want to come home, but I have to work in January.
See you then!

Adventure travel

Time for an adventure?

Are you a bit bored with your nine-to-five routine? Have a look at our exciting range of holidays and decide what type of adventure you'd like.

Activity holidays

Our activity holidays are for everyone, people who love danger or who just like sports. We have a huge variety of water, snow or desert holidays. We'll take you SCUBA diving in the Red Sea or kayaking and white water rafting in Canada. If you prefer snow, you can try skiing or snowboarding in the Alps or even igloo-building. For those who like warmer weather, we also have sandboarding (the desert version of skateboarding) or camel safaris.

Polar expeditions

Take a cruise to Antarctica or the northern Arctic; explore a land of white natural beauty and wonderful wildlife. Our experts will explain everything about the two poles as you watch the penguins in Antarctica or whales and polar bears in the Arctic. There's no greater adventure than travelling to the ends of the earth. A once-in-a-lifetime experience!

Cultural journeys

Our cultural journeys will help you discover ancient civilisations: India, Thailand, Egypt and many more. Visit temples, palaces and ancient ruins – just remember to bring your camera! Get to know local ways of life by exploring markets, trying exotic foods and meeting local people.

Trekking tours

We have trekking holidays to famous places such as Machu Picchu or the Everest Base Camp Trek, as well as some nearer to home in the Highlands of Scotland. You don't need to be very sporty, just fairly fit. You'll have a great time enjoying nature with a group of new friends. Some of the holidays include camping, but we'll transport the tents for you!

Wildlife holidays

We organise small-group tours to get closer to nature in Africa, Asia or South America. Go on safari in Africa and watch lions and giraffes. Meet the famous turtles of the Galapagos Islands. Look for tigers in India, or take an elephant safari in Sri Lanka. We use local guides and stay in a range of accommodation, from tents to tree houses.

An Email

Dear Ali,

This weekend my family and I are going to Dubai. I'm excited.

We're going to go by car to Dubai. Then we're going to go by metro to get to all the places. Dubai is very busy!

In the morning, we're going to visit the aquarium on the first floor of the mall. We will see fish, sharks and crocodiles. Afterwards, we are going to eat lunch at the food court near the aquarium. It's very close. To get there, you turn left at the exit of the aquarium. Then go straight past the cinema and up the stairs.

Next, we're going to the safari park to see more animals. I think we will see crocodiles and giraffes. We will also see flamingoes. I am going to use my new camera to take lots of pictures of them!

We're going to leave Abu Dhabi at 8am on Saturday. Would you like to come?

My Tablet

My name is Khalid. I have a tablet that my father bought for me when I was in grade five. I used to play games. I love playing games a lot. Sometimes I read books too. Now I have started using the internet. Now I can open YouTube and see lots of beautiful videos. Most of them are funny and educational.

But I don't waste too much time with the tablet. I try to use my free time in this case. The tablet is a good and useful invention of science. It has changed learning in schools. Now our teachers teach us through the tablet. They prepare the lesson before the class and show it on the projector.
