Read the following passage, and then answer the questions below:

Rosie loved watching the night sky. **It** shined with so many stars. Sometimes, she would climb onto her father's shoulders. She would feel like a princess, sitting closer to those stars. One afternoon, her father asked her if she wanted to go to the beach. She was happy to go there to see her shiny stars.

So they went to the beach. But it was cloudy that night and there were no stars in sight. "Let's see what happens tomorrow" the father said and they went back home. The next evening, they went to the beach again and Rosie **gathered** seashells. Suddenly, she found something very strange. It looked like a big, orange star. "Had it fallen from the sky? And why wasn't it shining?" asked Rosie. "It's not a star," the father smiled. "It's a starfish. It lives in the ocean." Rosie didn't wait the stars to come out but she took the starfish home. Now, she loves both of them.
