8. My classmate shot the ...**arrow**.... at the target and scored 10 points.

B. Reading Comprehension:(16m)

Read the following passage carefully, then do as required below:

A hat seller was going to the village market to sell his hats. He walked for a long time through the green forest and felt tired, so he decided to take a rest. He saw a tall tree. He sat under it and soon fell asleep. On the tree, lived many monkeys. They saw the man sleeping with a hat on his head. They all came down to see. They found a bag full of colourful hats next to him. Monkeys like to imitate what people do so, they took the hats and wore them on their heads just like the man. Then, they climbed up the high branches of the tree.

After some time, the hat seller woke up. He found his bag empty. All the hats were missing. He looked around, but he didn't find them. He was very sad. All of a sudden, he heard loud noises coming from above, so he looked up and for his surprise he saw ten monkeys in the tree wearing his hats.

The hat seller wanted to get his hats back but the monkeys were too fast he couldn't catch them. An idea struck his mind. He, at once, took off his hat and threw it on the ground and all the monkeys threw their hats on the ground, too. Monkeys are good imitators. The hat seller collected all the hats and went to sell them in the village market.

A) Choose the correct answer from a,b,c and d:(6x2=12m)

9.The best title for the story could be:

- a. The Village Market

B. Writing(20m)

Astronauts travel into space to live and work. They spend a long time there. They use space shuttles to travel into space. Plan and write a report of two paragraphs (10 sentences) talking about the food astronauts eat in space and the clothes they use there.

* Your writing should include a topic sentence, supporting details and a conclusion.

Topic plan

A topic plan diagram for writing a report. It consists of a large rectangular frame. At the top center is a rounded rectangular box for the topic sentence. Two vertical lines extend downwards from the bottom corners of this box, leading to two main rectangular boxes, one on the left and one on the right. From the bottom of each of these main boxes, a vertical line extends down to a horizontal line. From this horizontal line, four vertical lines extend downwards to four more rectangular boxes, two on each side, for a total of eight sub-branches. All boxes are empty for the student to fill in.

The topic
