

1.1 Read the text. Write your opinion about wearing normal clothes to school.

Write at *least 3-4 sentences*.

Many schools around the world ask students to wear uniforms, but some schools let them wear normal clothes.

We talked to Sara from Dubai, who is studying in Sydney, Australia. Her new school doesn't have a uniform. "I really like that," she said. "I can choose what to wear and show my own style. It makes me feel more comfortable and confident."

Sara thinks wearing normal clothes helps students express themselves. "Everyone looks different, and that's what makes it interesting," she said. She also believes it helps her focus. "When I feel relaxed, I can learn better."

Sometimes it's hard to decide what to wear each morning, but Sara doesn't mind. "I prefer that over wearing the same thing every day," she laughed.
