Writing

‘Exploring new places can be exciting, but it also comes with risks.’

Plan and write a two-paragraph report about going on an expedition discussing the safety preparations people should make **and** the challenges they might face.

First, Exploring new places needs safety preparations. People must carry the right equipment like maps, food, water, and first-aid kits. **Also**, they should also plan their route. **In addition**, expeditions may have some challenges like bad weather and getting lost. **Moreover**, wild animals or difficult landscapes can make things harder. **Finally**, we should prepare well for any expeditions to avoid risks.

Expeditions (*safety preparations*)

Going on an expedition is exciting, but it needs safety preparations. **First**, people must carry the right equipment. **Next**, they should take maps, food, water, and first-aid kits. **Then**, they should also plan their route. **After that**, they should inform others before leaving. **Finally**, good preparation helps travelers stay safe and enjoy their journey.

Expeditions (*challenges*)

Expeditions come with many challenges. **First**, there may be bad weather. **Next**, people may get lost. **Then**, there may be wild animals. **After that**, there may be difficult landscapes. **Finally**, challenges make the experience more valuable.
