03 Reading Comprehension

Saudi National Day

Saudi National Day is on September 23. It celebrates the unification of Saudi Arabia in 1932. Last year, Sara celebrated it at school. Her class prepared a display about King Abdulaziz. He unified the country. Sara and her classmates wore green and white and carried Saudi flags. **They** gave a short presentation about the country's history. The students also visited an exhibition about Saudi heritage. Their teacher praised their teamwork. Sara learned that loving her country means learning about its history and preserving its heritage.

F. Answer the questions.

1. What was the exhibition about?

_____

2. Did Sara celebrate National Day at school?

_____
