My Dream

"I want to go to Disneyland this summer, but I want to know more before I go. Have you ever been there, Moza?" Alia asked me.

"Yes, I went there when I was twelve. My father surprised us with a trip to Disneyland one summer. I love travelling more than anything so I was very excited. I wanted to see interesting buildings and my sister hoped to do a lot of shopping. We could not wait to go!" I said.

"There were many people wearing Disney clothes and Mickey Mouse ears. I enjoyed listening to the lovely music and watching the bright lights of all the buildings. The shops were like my favorite Disney movies."

"We saw many wonderful Disney shows. We also went on many Disney rides but the Winnie the Pooh ride was the best. It is a fantastic way to see all of the Disneyland Park. Then, we met Mickey and took lots of photos. The last thing we enjoyed was the fireworks."

"Before we left the park, mum made us all stand together. There were some flowers that looked like Mickey's head. She likes taking pictures, so she got a group picture of us in front of them because they looked so beautiful."

"Visiting Disneyland in Paris gave me the happiest memories and made my dream come true. We travel every summer, but this time was the best time for me."

Why did Alia ask Moza a question about Disneyland?

a. because Moza is visiting it soon

b. because Alia wants information about it

c. because Alia's father is taking her there

My Dream

"I want to go to Disneyland this summer, but I want to know more before I go. Have you ever been there, Moza?" Alia asked me.

"Yes, I went there when I was twelve. My father surprised us with a trip to Disneyland one summer. I love travelling more than anything so I was very excited. I wanted to see interesting buildings and my sister hoped to do a lot of shopping. We could not wait to go!" I said.

"There were many people wearing Disney clothes and Mickey Mouse ears. I enjoyed listening to the lovely music and watching the bright lights of all the buildings. The shops were like my favorite Disney movies."

"We saw many wonderful Disney shows. We also went on many Disney rides but the Winnie the Pooh ride was the best. It is a fantastic way to see all of the Disneyland Park. Then, we met Mickey and took lots of photos. The last thing we enjoyed was the fireworks."

"Before we left the park, mum made us all stand together. There were some flowers that looked like Mickey's head. She likes taking pictures, so she got a group picture of us in front of them because they looked so beautiful."

"Visiting Disneyland in Paris gave me the happiest memories and made my dream come true. We travel every summer, but this time was the best time for me."

I always read books about animals. There are some amazing facts about South Africa's Wildlife. South Africa is one of the best places to see animals. There are over 300 different types that live there such as rhinos, lions, buffalo, elephants, crocodiles and penguins.

The springbok is the national animal of South Africa. It is an animal that has a long neck and thin legs. It has a white face and two brown lines from its eyes to the corner of its mouth. This beautiful animal is also one of the fastest.

Another interesting fact is about the black mamba. It is quick and can move up to 10 km per hour. It is one of the world's most dangerous snakes but it mostly eats small animals. It likes sleeping in trees and on the ground. It is the longest snake in South Africa and can be up to 14m long.

Also, the African elephant is the world's largest land animal. The ears of African elephants are much larger than Asian ones. Their ears look like the shape of Africa.

Humpback whales live in the sea. They are the largest animals in the world. They enjoy singing. They can sing for hours and their songs can be heard up to 20 miles away.

RAK Zoo

Every year, I go to RAK Zoo with both my sister, Fatima, and my friend, Amna, without our brothers. At RAK Zoo, you can either get around by renting a golf cart or by an easy walk. We always like to get the cart because we like to save our energy to see the animals! Our brothers usually go on the bus to Al Ain Zoo with their school friends because it is bigger and they like the guided walking tours.

I am always disappointed that there is no underwater zoo there, like in Dubai Mall. Sharks and turtles are my favourite. However, there are monkeys, lions and giraffes. There are also many unusual birds such as parrots. I am always unhappy that there aren't many places for eating at RAK Zoo, so every time we go, we eat at the same place. There isn't any information on the colourful zoo brochures about the animals. However, you can get lots of facts about the animals by asking the staff who stand near the desks. They know everything!

RAK Zoo reminds me a lot of Emirates Park Zoo because it has both a large area to hold animals and a bird reserve filled with rare birds. However, I do think it's unfair that there is a place for passing around the animals all day. This upsets me! Emirates Park is enormous. It takes a long time to see everything and requires a lot of walking which I dislike. However, I like its many different restaurants.
