☐ A) pulls objects together ☐ B) makes objects invisible ☐ C) produces light

8. A “spacecraft” is ...

☐ A) a vehicle for space travel ☐ B) a computer game ☐ C) a road vehicle

# UNIT 3 | Vocabulary Practice

Student Review Worksheet · Prepared by Tr. Majed Aloraimah

## B. Vocabulary in Context

طريقة الحل: اقرأ الجملة كاملة، وابحث عن قرينة المعنى. مثال: The rocket will launch tomorrow = سينطلق الصاروخ غداً.

9. Astronauts traveled to the station in a _____.

☐ A) spacecraft ☐ B) subway ☐ C) helmet

10. Earth moves around the sun in its _____.

☐ A) orbit ☐ B) circuit ☐ C) rank

11. A person trained to travel in space is an _____.

☐ A) astronaut ☐ B) inventor ☐ C) driver

12. The company will _____ a rocket next month.

☐ A) launch ☐ B) landed ☐ C) condensed

13. An _____ happens when one celestial body blocks another.

☐ A) eclipse ☐ B) engine ☐ C) invention

14. Scientists use robots to _____ pictures on Mars.

☐ A) take ☐ B) make up ☐ C) rank

## C. Future Perfect | المستقبل التام

الفكرة: فعل سيكون قد اكتمل قبل موعد محدد في المستقبل.
التركيب: will have + past participle (V3)
قرائن: by 2030 / by Friday / by the time.

Example: By 2030, I will have graduated.
بحلول عام 2030 سأكون قد تخرجت.
Remember: write finished, not ~~finish~~, after will have.

15. By 2030, scientists _____ a new medicine.

☐ A) will have developed ☐ B) will developing ☐ C) have develop

16. By the time we arrive, the movie _____.

☐ A) will have started ☐ B) will start have ☐ C) has starting

17. She will have _____ her project by Friday.

☐ A) finish ☐ B) finished ☐ C) finishing

18. By next year, Ali _____ from high school.

☐ A) will have graduated ☐ B) will have graduate ☐ C) will graduating

19. Which sentence expresses a completed action before a future point?

☐ A) By 2040, they will have built the bridge. ☐ B) They build the bridge now. ☐ C) They built it yesterday.

# UNIT 3 | Grammar Practice

Student Review Worksheet · Prepared by Tr. Majed Aloraimah

## D. Future Perfect Progressive | المستقبل التام المستمر

الفكرة: نركز على مدة استمرار حدث حتى نقطة مستقبلية.
التركيب: will have been + verb-ing
غالباً تظهر معه for + period أو since + starting point.

Example: By June, she will have been studying for two years.
بحلول يونيو ستكون قد أمضت سنتين وهي تدرس.
Compare: I will have finished (result) / I will have been studying (duration).

20. By December, she _____ English for three years.

☐ A) will have been studying ☐ B) will have study ☐ C) has been study

21. By 2030, he will have been _____ here for ten years.

☐ A) work ☐ B) working ☐ C) worked

22. By 6 p.m., we _____ for two hours.

☐ A) will have been waiting ☐ B) will waited ☐ C) will have wait

23. Which expression indicates duration?

☐ A) for five years ☐ B) yesterday ☐ C) last Monday

24. By July, my father _____ at the hospital for 20 years.

☐ A) will have been working ☐ B) will have work ☐ C) will be worked

## E. Future Time Clauses | جمل الزمن المستقبلية

بعد when, after, before, until, as soon as نستخدم غالباً المضارع البسيط عند الكلام عن المستقبل؛ لا نضع will في جملة الزمن.

Correct: I will call you when I arrive.
Incorrect: I will call you ~~when I will arrive~~.

25. I will call you when I _____ home.

☐ A) get ☐ B) will get ☐ C) got

26. As soon as he _____, we will leave.

☐ A) arrives ☐ B) will arrive ☐ C) arrived

27. They will wait until the rain _____.

☐ A) stops ☐ B) will stop ☐ C) stopped

28. After she _____ her homework, she will watch TV.

☐ A) finishes ☐ B) will finish ☐ C) finished

# UNIT 3 | Final Practice

Student Review Worksheet · Prepared by Tr. Majed Aloraimah

## F. Form, Meaning & Function | مراجعة تأسيسية

في السؤال بـ Does / Did يأتي الفعل الأساسي دون -s / -ed. ومع الميلاد نستخدم was born / were born حسب الفاعل. وفي جملة الماضي قد تأتي أفعال شاذة مثل go → went.

Examples: Does he play? · Did they visit? · Where were you born? · He went yesterday.

29. _____ your brother use a laptop every day?

☐ A) Does ☐ B) Do ☐ C) Did he

30. Where _____ you born?

☐ A) were ☐ B) was ☐ C) did

31. When did they _____ the museum?

☐ A) visit ☐ B) visited ☐ C) visiting

32. He _____ to school yesterday.

☐ A) went ☐ B) go ☐ C) goes

## G. Reading Comprehension | فهم المقروء

اقرأ النص لتفهم الفكرة العامة، ثم عد للنص للبحث عن دليل الإجابة. الكلمات المساعدة: responsibly = بمسؤولية / advanced = متطور / reduce = يقلّل.

In 2040, technology may change how people live. Smart buses may help reduce traffic. Some scientists believe robots will work in hospitals and in space. By 2040, engineers will have built more advanced machines. They will also have been improving clean energy systems for many years. However, people will still need to make important decisions and use technology responsibly.

33. What is the passage mainly about?

☐ A) Possible future technology ☐ B) Life in 1900 ☐ C) A school trip

34. What may reduce traffic?

☐ A) Smart buses ☐ B) Space stations ☐ C) Old cars

35. By 2040, engineers will have built ...

☐ A) more advanced machines ☐ B) new museums ☐ C) wooden ships

36. “For many years” refers to ...

☐ A) duration ☐ B) one past event ☐ C) a place

تذكّر قبل الاختبار: افهم معنى الكلمة في السياق، وميّز بين الإنجاز والمدة في الأزمنة، وانتبه إلى صيغة الفعل بعد أدوات الزمن.
