3 Complete the sentences with the words below. There is one extra word.

tertiary	secondary	curriculum	satellite campus	highly ranked	distance learning

1 Did you hear about the new Australian university in Dubai? They have a very big satellite campus with a lot of classrooms and labs.

2 The new school will cater for all grades from elementary to secondary. Students will then go on to university.

3 You don't have to physically attend any classes if you start your Masters at this university. Studying is done via the Internet, it's a distance learning programme.

4 The headmaster is thinking about changing the curriculum, so students might have new books next year.

5 The university is quite highly ranked. It is amongst the top 10 in the Middle East.
