

Maze Passage 1: Looking After Wildlife

Last weekend, our class (went / go / going) to the beach to clean it.

We saw a lot of rubbish that people (throw away / threw away / throwing away) near the water.

The beach was (dirty / dirtier / dirtiest) than last month.

Our teacher, (who / which / where) loves nature, explained why plastic is dangerous.

She said we (should / should to / shouldn't to) protect animals.

My friends and I (collect / collected / collecting) bottles and bags from the sand.

There was a turtle (who / where / that) was moving slowly near the shore.

It was (weak / weaker / weakest) than the other turtles in the sea.

We carefully picked it (up / out / off) and called for help.

The rescue team arrived and (take / took / taking) the turtle to a safe place.

They told us that small actions (is / are / was) important.

That day was one of the (happy / happier / happiest) days of my life because we helped wildlife.

Maze Passage 2: A Day in the City

Last Friday, my brother and I (decide / decided / deciding) to explore the city by metro.

The metro was (fast / faster / fastest) than the bus, especially during rush hour.

We bought a ticket (who / which / where) allowed us to travel all day.

At the station, there were (much / many / more) people than we expected.

A police officer, (who / which / where) was standing near the entrance, helped us find the right platform.

He said we (must / must to / musts) stand behind the yellow line.

The train arrived on time and we (get / got / getting) on quickly.

My brother told me to look (for / after / into) our stop on the map.

This station is (busy / busier / busiest) than the one near our house.

There was a man (which / who / where) was playing music inside the train.

Some passengers (was / were / is) smiling and taking photos.

When we arrived downtown, we got (off / out / away) the metro and walked to the museum.

It was the (interesting / more interesting / most interesting) place we visited that day.

Before going home, we (eat / ate / eaten) dinner at a small restaurant.

We were tired, but it was (good / better / best) than staying at home all day.

Maze Passage 3: Saving Wildlife (Super Tricky)

Last month, our school (plan / planned / planning) a trip to a wildlife park.

It was (far / farther / farthest) than any place we had visited before.

We travelled by bus, (which / who / where) was full of excited students.

There were (much / many / more) animals than I expected to see.

The guide, (who / which / where) had worked there for years, welcomed us warmly.

He told us we (must / have / should to) stay with the group at all times.

Some students (take / took / taken) photos near the lake.

I saw a bird (which / who / where) was sitting on a high tree.

It looked (beautiful / more beautiful / most beautiful) than the other birds nearby.

One boy tried to get (closer / closest / close) to take a better picture.

The teacher quickly told him to stay (away / out / off) from the water.

There was rubbish on the ground, so we helped to (pick it up / pick up it / picked up it).

This area was (clean / cleaner / cleanest) after we finished working together.

The park workers (was / were / is) thankful for our help.

At the end of the trip, it was the (exciting / more exciting / most exciting) day I had had that year.
