Salama's Holiday

Dear Mariam,

Thanks for your email. I'm glad you enjoyed your trip. My family and I went to Kuwait last week.

One of the places that people go to is The Avenues. It is a big shopping mall. There are lots of shopping stores, restaurants, coffee shops and more. There's also a cinema to watch movies. Another place people could go to is the Kuwait National Museum. I wanted to learn about the country's history, so I went there with my family. People also go to Al Mubarakiya Souk. It is a historic market that has traditional things like clothes and food. I enjoyed the traditional food there.

On our last day, we had to leave early because we had an early flight.

Give me a reply as soon as you can!
