- Read the following passage carefully, then answer the questions that follow:

There is nothing like travelling and seeing a new place for the first time. People of all ages, from all around the world, go to foreign places for different reasons – mainly, for work, meeting families, and spending free time. People can travel by plane, train, ship or by car, travelling is generally an exciting experience, especially for people who can pay for comfortable and safe ways of travel. People can make money when they travel. This is achieved when they travel to do business or work. They also travel to see loved ones and enjoy oneself on a vacation. There are other things about travelling that you need to try out.

You do not need to become a tour guide to travel. Everybody can travel. Travelling is a chance and a way to relax from everyday busy life. Therefore, **it** helps you feel better, both in mind and body. Travelling helps you learn about yourself. You might run into difficult situations where you need to be smart and think differently. It helps develop a new group of skills that you didn't think you had within you. When travelling, people always develop a deeper understanding of other cultures. That is why it is interesting to **observe** the way people of other cultures live. You will also have the chance to try different kinds of food and to create nice memories that you will never forget.
