Class:

Match the sentence to the correct picture.

1	The roots take in water from the soil.		
2	The leaf uses sunlight to help the plant grow.	a	
3	After some time, a flower begins to grow.	b	
4	When the plant's life cycle is over , new seeds fall to the ground.	c	
5	First , a seed is planted in the soil .	D	

Match the sentence to the correct picture.

1	The lion lives in the jungle .		
2	An eagle flies over the mountains .	a	
3	A bear can live near a river .	b	
4	A wolf walks near the river .	c	
5	The lion and cheetah are wild animals.	D	

Read the passage and answer the questions.

Nature Around the World

I'm Maryam. I go to school in Dubai. In class, we paint pictures of things in nature. My picture is India. It has blue birds flying in the sky. Sara's picture shows little fish and yellow ducks swimming in rivers. She teaches us about animals in Mexico. Nadia paints China's most beautiful flowers. She uses many different colours.

Hanan's picture shows her climbing Jebel Jais. There are lots of big rocks. She is tired when she gets to the top. We enjoy seeing the pictures because it makes us feel like we are outside of the classroom. After we answer each other's questions, we hang our pictures on the wall.

Example: Who goes to school in Dubai?

- a) Sara b) Maryam c) Hanan

1. What does Maryam paint in her picture of India?

- a) Blue birds in the sky b) Big rocks and mountains
c) Fish and ducks in rivers

2. Which country is Sara teaching the class about?

- a) China b) India c) Mexico

3. What is special about Nadia's picture?

- a) It shows animals
b) It uses many different colours c) It shows mountains

4. Where is Hanan climbing in her picture?

- a) A river in Mexico b) Jebel Jais c) A forest in India

5. Why do the students enjoy looking at the pictures?

- a) They get marks for them
b) They feel like they are outside the classroom
c) They want to finish the lesson quickly

A Day in the Park

On Friday afternoon, Omar's mum comes home from the store.

"Can I go to the park?" asks Omar.

"After your schoolwork", says Mum. "Take your brother too!"

Omar and Ali walk to the park. They see three green trees. A brown animal walks near the small trees. Omar sees litter on the grass. He knows the animal is in danger.

Omar says, "We should protect animals." He tells Ali, "Pick up the litter." He doesn't want the animal to eat it. They clean the park together. Omar says, "We must keep nature clean." Ali says, "We must save wildlife." Omar adds, "We mustn't hurt animals." After five minutes, the park is clean, the animals are safe, and the trees and leaves can grow.

Example: Who asks to go to the park?

a) Ali

b) Omar

c) Mum

1. When does Omar want to go to the park?

a) Friday afternoon

b) Saturday morning

c) After dinner

2. Who goes to the park with Omar?

a) His mum

b) His friend

c) His brother

3. Which of these does Omar NOT say?

a) We must save wildlife

b) We must keep nature clean

c) We mustn't hurt animals

4. What danger does Omar see in the park?

a) The trees are broken

b) There is litter on the grass

c) The animal is sleeping

5. Why do Omar and Ali clean the park?

a) They want to finish quickly

b) They are told by their mum

c) They want to protect animals and nature

Read the text and choose the correct answer.

Choose A, B, or C.

There is one example.

Read the text and choose the correct answer.

Choose A, B, or C.

There is one example.

Nature is very important, and we should protect it. In the UAE, people must keep nature clean to protect wildlife. We shouldn't leave litter because it is dangerous for animals. Trees are green, and they help nature grow.

In summer in the UAE, it is very hot and sunny, and it feels warm. People need to save water and keep places clean. In winter, it is cooler and sometimes windy or cloudy. When we protect habitats, animals stay safe, and nature stays healthy for the future.

Example: What should people do to protect nature?

- A. Leave litter B. Keep nature clean ☒ C. Hurt wildlife

1. Why shouldn't people leave litter?

- A. It makes trees green B. It looks nice
C. It is dangerous for animals

2. What is the weather like in summer in the UAE?

- A. Hot and sunny B. Cold and snowy C. Foggy and rainy

3. Which sentence is NOT true about winter in the UAE?

- A. It is sometimes windy B. It can be cloudy
C. It is very hot and sunny

4. How does protecting habitats help animals?

- A. Animals get hurt
B. Animals stay safe and healthy
C. Animals leave the UAE

5. What must people do in summer to help nature?

- A. Waste water B. Leave litter C. Save water

Read the text and choose the correct answer.

Choose A, B, or C.

There is one example.

Protecting Habitats & Weather in the UAE

Nature around us needs care, and we should protect it every day. In the UAE, people must keep the land clean to protect wildlife. We must save trees because they help nature grow and stay green. People shouldn't throw litter, as it can cause danger to animals.

In summer, it is very hot in the UAE, and it feels warm and sunny. In winter, it is cooler and sometimes windy. When people follow rules and protect habitats, nature stays clean, animals stay safe, and the environment becomes a better place for everyone.

Example: What should people do to help nature?

- A. Hurt wildlife
- B. Throw litter
- C. Keep the land clean ☒

1. Why must people save trees?

- A. Trees help nature grow
- B. Trees make weather windy
- C. Trees cause danger

2. What does the weather feel like in summer in the UAE?

- A. Cold
- B. Warm
- C. Foggy

3. Which sentence is NOT true about protecting habitats?

- A. It helps animals stay safe
- B. It keeps nature clean
- C. It hurts wildlife

4. What can happen if people throw litter?

- A. Animals may be in danger
- B. Trees grow faster
- C. Weather changes

5. What is the weather sometimes like in winter in the UAE?

- A. Snowy
- B. Rainy
- C. Windy

Writing

Look at each picture.

Write ONE complete sentence for each picture.

Use the words in the circle (word bank) to help you.

Week 5 Writing

Write complete sentences for each picture. Write at least two sentences.

hotter -
the UAE -
Australia)

The UAE is hotter than Australia.

Australia is colder than the UAE.

windy -
colder -
Iceland

Iceland is windy.

Iceland is colder than the UAE.

cold -
snowy -
Canada

Canada is snowy.

Canada is colder than Egypt.
