B- Reading comprehension (4 x 1 = 4 Marks)

Read the following passage then answer the questions (*100- 120 words*)

Scientists are the real heroes of our world because they make our lives easier, safer, and more comfortable. Through their research and inventions, they have changed the way we live, work, and communicate. Modern scientists continue to discover new technologies, such as computers, the internet, and medical machines that save millions of lives. Their inventions help us in education, medicine, transport, and even in protecting the environment. Without scientists, our world would be dark and full of problems.
