c) Write a short paragraph (not fewer than 6 sentences) about going on an expedition discussing the safety preparations people should make and the challenges they might face.
Your writing should include a topic sentence, supporting details and a concluding sentence.

Exploring new places can be exciting, but it also comes with risks. There are many safety preparations people should make before the expeditions. First, they should take food and water. Second, they should take tents and sleep bags. Third, they need a compass and a map. There are many challenges they might face. They might face bad weather like snowstorms. In addition, dangerous animals might attack them. Also, they may get ill or injured. If they plan well, they will overcome the challenges. Finally, going on an expedition is fun but risky.
