Writing

▪ Write about your School Day/ School Life:

- What time your school day starts and ends.
- What subjects you study and which one you like most.
- What you usually do during the breaks or after school.

Write at least **110 words**

My School Day (Life)

My school day starts at 7 o'clock in the morning and ends at 2.30 in the afternoon. I go to school by bus. When I get to school, I greet my teachers and friends. I study many subjects at school, but my favourite one is English. I like English because I enjoy speaking English with my teachers and friends. I enjoy my time at school because I learn new things every day. I eat snacks and play with my friends in the break. I do a lot of activities after school. I study my lessons at home. I go to the club and play football. I enjoy my school day. It makes me busy, but I feel happy.

▪ Write about your (Studying in another country):

- Would you like to study in another country Where?
- What do you think will be the best things about living and studying there?
- What new experiences or skills do you hope to get from studying in another country?

Write at least **110 words**

Study in another country

I would like to study in London in England because it is a big and famous city. London is an amazing city. It has a lot of good schools. I want to meet and make new friends. I want to speak English every day with a lot of people to be good at English. There are a lot of activities to do in London. I can go shopping and visit the parks. I think that life in London will be exciting.
