Part Four: Reading Comprehension:

Directions: Read the passage and answer the questions.

Not all people like the same kind of food, and not all of them eat the same amount. People in some countries eat a lot of rice because it grows there. In other countries, people eat more fish because their country is near the sea. For example, people in Italy eat a lot of pasta. In Japan, people eat a lot of rice and vegetables and only a little meat. People in the USA eat the most ice cream in the world. In Brazil, the most popular pizza has got peas on it. People in China eat more fish than people in many other countries. The most popular tea in Qatar is Karak tea. Most people in Qatar and the Gulf countries love this drink, especially in winter. Dates are the fruit people in Qatar grow the most.
