Read the following Passage and answer the questions:-

Salem Al Shab is a Saudi engineer. He studied at a university in Paris. One summer day, when he was on his way to work, he saw some poor people who lived in the open air. Suddenly, he had an idea. He thought of the **large** land behind his house to build as a home for them. Because he did not have enough money, he started to collect **it** from the rich people in the city. Everyone was kind and helpful. As an engineer, he began building the houses, and many young people came to help.
