موضوع التعبير

Friendship

(الصداقة)

Friendship is very important in our life. It makes us happy and spreads peace among people. Friendship helps us in troubles and difficult times. Friends should help and support each other. Friends should listen to each other. They also should respect each other. They have to study together, too. They should share food and toys with each other. In conclusion, friendship makes our life better, so we should always care about our friends.
