4. Driving carelessly can be very …… and cause serious accidents.

a. precious b. engaging c. eco-friendly d. risky

B.Read the following passage and answer the questions:

Sport is a very important part of the world's culture. **It** includes many different kinds of activities, from big races to just playing fun games. Sports give you many physical benefits, such as a stronger heart and lungs, more strength, and better balance. More than just physical health, sport is important for your mind and social life. Playing on a team teaches you skills like teamwork, discipline, and leadership. It also gives you a healthy way to handle stress and anger. Big events like the Olympics or the FIFA World Cup create excitement that can bring people from different countries and backgrounds together. Watching and following sports is also entertaining and gives people a sense of community. In the end, whether you play or just watch, sport makes lives better by promoting health and connecting people worldwide.

A.Choose the correct answer from a, b, c and d:

1 what's the best title of the passage:

a. Benefits of Sport b. Teamwork c. Sport Events d. leadership

2. The underlined pronoun **It** refers to :

a. community b. sport c. stress d. teamwork

B. answer the following questions :

3. What are two good things sports do for your body, according to the passage?

4. The teacher explained the lesson……..., so the students understood it.

a. smoothly b. Firmly c. Risky d. locally

B. Read the following passage and answer the questions:

The Internet is a huge network of computers that connects people all over the world. Think of it as a massive digital highway for information. It lets you quickly search for facts, watch videos, and listen to music. The internet has changed how we learn; students can now find resources and take classes online. It also changed how we communicate. We can send emails, text friends instantly, or video call family **who** live far away. For many, the internet is a key place for entertainment, from playing online games to sharing photos. However, it's important to be safe online and protect your personal information. Overall, the internet is a powerful tool that makes the world feel smaller and gives us access to a huge amount of knowledge and fun.

A.Choose the correct answer from a, b, c and d:

1 what's the best title of the passage:

a. Online Safety b. Sending Emails c. Watching Videos d. The Internet

2. The underlined word **who** refers to :

a. people b. family c. friends d. students

B. answer the following questions :

3. What is one important thing you must remember when using the internet?, according to the passage?

……

4. Name two ways the internet has changed how people communicate.

……
