Reading Comprehension

- **Read the following passage carefully, then answer the questions below:**

Beaches are beautiful places where people go to enjoy themselves and take their families to swim during the summer , play with sand and sit on the beaches. In addition, there are some beaches that are very unusual and **unique.** These beaches are considered special because they glow during the nighttime. How does the beach glow? You may wonder. These beaches have special type of a plant called Algae which glows in the dark whenever **it** senses any motion or anything moving next to it, such as fish, waves or even boats.

Algae glows in the water giving out a green and blue light which seems like there is glitter and light in the water. It is very interesting to see. Algae is not found everywhere; it is found only in eight beaches around the world in countries such as Malta, California, Taiwan, Maldives, Jamaica, Puerto-Rico and Australia. It would be fun to go to these countries for vacation and enjoy the light at night and take some photos.

a) Choose the best answer from a, b, c and d:

Reading Comprehension

- **Read the following passage carefully, then answer the questions below:**

A few months ago, a pilot had a terrible adventure. He took off on a small plane on a training flight. A strong wind blew and hit the plane. The two back wheels of the plane were knocked off but it did not crash. The pilot sent a radio message to the airport. He did not know how to land without the wheels. The airport controller promised to help him. He telephoned the airport firemen.

A fireman saw a long, open lorry. It was waiting to collect some goods at the airport. He got a fantastic idea. He told the airport controller about his plan. The airport controller sent a message to the pilot to try to land on the top of the lorry. The fireman borrowed **it** and drove to one end of the airport runway. He turned round and waited for the plane to come. The fireman drove along the runway and the pilot flew down to land. Luckily, he **managed** to land on the lorry. A part of the lorry was damaged and the tail of the plane was broken, but nobody was injured. The pilot was very grateful to the fireman. He gladly agreed to pay for the damage of the lorry.

a) Choose the best answer from a, b, c and d:

1. The best title for this passage is:
   a. A Car Accident
   b. An Open Lorry
   c. An Airport Building
   d. A Terrible Adventure
