Comprehension (2)

Read the following passage then answer the questions below:

Chocolate has a long and fascinating history that began thousands of years ago in central America. The ancient Maya and Aztec civilization were among the first to discover cocoa beans. They used them to prepare a bitter drink for special ceremonies and important leaders. At that time, cacao beans were valuable that people even used them as money in trade.

In the sixteenth century, Spanish explorer brought chocolate to Europe. There, sugar was added to make it sweeter and more popular. Over time, chocolate factories were built, and new techniques improved its taste and texture. By the nineteenth century, solid chocolate bars were produced and sold widely. Today, chocolate is enjoyed all over the world in many farms, including drinks, candies, and desserts.

A) Choose the correct answer from a, b, c and d:

1- The best title for the passage could be .....

a. Healthy Food

b. The History of Chocolate

c. European Trade

d. Modern Factories

2. The underlined word "texture " refers to .....

a. the way something feels or looks on the surface

b. the color of something

c. the smell of something

d. the price of something
