School trips are exciting experiences for Grade 6 students. They give students a chance to learn outside the classroom. During a school trip, students can visit museums, farms, or historical places. They see new things and ask questions about what they learn. Teachers guide them and explain important information. School trips also help students work together in groups and follow rules. They really learn a lot.

Although students feel excited, they must listen carefully and behave well. These trips help them understand their lessons better and create happy memories with their classmates.
