Everyone has his own dream. Children dream of having certain jobs when they grow up. They start thinking about that even if they are still young. Some of them dream of being doctors, wearing the white coats, working in hospitals and helping the sick. Others think of being pilots, flying planes, travelling from one country to another and going to different destinations all over the world. Many other children dream of being teachers in the future, working in schools and teaching students.

Whatever your dream is, you should work hard. It is not hard to fulfil your dreams. Always remember; " Never give up and do your best to make your dreams true. "

The sea is a wonderful place. Some people enjoy swimming. Others like sea animals. Our science teacher asked us to make a short video project about sea animals. I went with my father to make it. I started by taking pictures of the sea and sand. I also took pictures of sea animals. When we saw turtles, they were digging holes to lay their eggs. My father said that there are very big sea animals that we don't see always near the beach; like the whale shark which is the largest shark. There're also very small sea animals that we can't see with our eyes. I finished the project and gave it to my teacher who was happy with it.
