- Read the following passage, then answer the questions below:

Mike is a 13-year-old boy, and he loves waterskiing. Every weekend, he brings his ski boards to the beach. He has three boards: red, blue and white. Each one is special to him. His favourite boards are the white and the blue ones. He feels very excited when he rides them.

When Mike gets to the beach, the first thing he does is to look at the sea and take a deep breath. He watches the sea waves as they go up and down. If the sea is **calm**, he uses the white or the blue board. If **it** is rough, he uses the red one. He then runs to the water, feeling the warm sun on his back.

Mike started to practise skiing on the yellow sand. He believes that practice helps him to do better on water. When he is ready, he runs to the water and rides a wave. It feels amazing and exciting. Sometimes, he falls off his board, but he gets back on and tries again. For Mike, waterskiing is more than a hobby. It is a way of life. The sun, sea, and waves are his best friends. Every time he brings his boards to the beach, he feels at home.
