Read the following passage carefully, then answer the questions that follow:

Flamingos are beautiful, tall birds with long, curved necks and pink feathers. They like to stand on one leg when they rest. Flamingos use their beaksto look for food like plants, small fish and shrimp. Eating shrimp makes their feathers pink. These birds live in **large** groups and sometimes migrate to warmer places in winter. They look beautiful when they fly together. Flamingos build nests from mud and lay eggs carefully. **They** move slowly in low water and always stay close to their friends. People enjoy watching them at lakes, zoos and nature parks. Flamingos are truly amazing birds.

From a, b, c or d, choose the most suitable answer:
