A- READING COMPREHENSION

Sharing with Friends

My name is Ali and I want to tell you about my friends, Akira and Itsuki. They live in Japan, but they travel a lot with their parents. Last month, they came to visit us in Sharjah, and our families had so much fun together.

Akira and Itsuki were very excited to learn about falconry, and I had fun teaching them. We also played football with some of my friends. Akira is quite sporty. He played in his school's football team last year.

I told my father they'd never seen a camel, so he planned a surprise for them. He said that he would take us horse riding, but when we arrived in Khattam Al Shikla, there were camels instead. Akira was so excited, but Itsuki was a little scared. Dad said he didn't have to ride the camel if he didn't want to, but Itsuki decided to try it. He loved it so much, that he didn't want to leave.

On their last day in the UAE, Akira, Itsuki, their mother and father all dressed in traditional Emirati clothes and we took a picture together. Next month, my family will go to Japan and we will see our friends again. I don't know what they will teach us about Japanese culture, but I hope we can take a picture with everyone wearing kimonos.

The Olympic flag, with its five rings, represents the five continents of the world. The Olympics are the traditional "world championships" of athletics, but there are many other sports competitions- swimming, rowing, gymnastics and others. At each Olympics, the Olympic committee include new sports, making each Olympics more exiting than the last. The winter Olympics are for sports such as skating and skiing. They take place two years after each Olympic Games. Competitors in the events win medals: a gold medal for first place, silver for second, and bronze for third.
