Reading Comprehension:

Directions: Read the passage and answer the questions.

Venice

1)Venice is a city in the north of Italy. It is built on 118 small islands that are separated by 150 canals. Venice is interesting because it does not have roads like other cities, some of the roads through the city are like small rivers. People use boats to move around the city. Venice even has special bus boats and taxi boats to move around the city.

2)There are some sidewalks in Venice, so people can walk around the city. Venice also has many beautiful bridges over its watery roads. People enjoy standing on the bridges and looking at the city. They also enjoy riding around the city in “gondolas”, gondolas are long boats that can be pushed with a long stick.

3)Venice is famous for crafts, culture and tradition. People like to go shopping there for **incredible** handmade goods such as masks, glass and leather handbags.

4)Venice is wonderful, but the city has a big problem. When the water becomes high, the buildings sink and it is difficult for boats to go under the bridges. The people there are trying to stop this problem.
