..... الجملة الختاميه .....

Grade 9 - 1st term 2025-2026

Writing (1)

Exploring new places can be exciting, but it also comes with risks'.

Plan and **write** a two-paragraph report of not less than **(12 sentences)** about going on an expedition **discussing the safety preparations people should make and the challenges they might face.**

NB: (Your writing should include a topic sentence, supporting details and a conclusion)

The plan

Paragraph (1) The safety preparations people should make

Topic sentence:

An expedition is an interesting journey.

Supporting details:

- Training well
- Choosing a good team
- Taking enough food and water
- Taking first aid kit

Concluding sentence:

Finally, smart devices can control our life.

Paragraph (2) The challenges they might face

Topic sentence:

Explorers might face some challenges.

Supporting details:

- Wild animals
- Walking long distances
- Bad weather
- Lacking food and water

Concluding sentence:

Finally, good preparation makes the journey safer.

Expeditions

An expedition is an interesting journey. There are some preparations for the expeditions. It is important to train well. Also, you should choose a good team. In addition, you should take enough food and water. Moreover, you should take first aid kit. You should take a map and phone. Finally, good preparation makes the journey safer.

Explorers might face some challenges. First, there are wild animals that prey on humans. Second, explorers may face bad weather. Third, explorers have to walk long distances. Fourth, they may suffer from lack of food and water. They may get lost or injured. Finally, explorers must be ready for these challenges.

Writing (2)

'Being online is helpful, but it can also be risky.'

Plan and **write** a two-paragraph report of not less than **(12 sentences)** explaining **common online risks and giving useful safety tips to help people protect their information and stay safe online.**

NB: (Your writing should include a topic sentence, supporting details and a conclusion)

The plan

Paragraph (1) Common online risks

Topic sentence:

There are some common risks when using the internet.

Supporting details:

- Many fake people
- Tricking people
- Facing a phishing scam
- Stealing your personal information

Concluding sentence:

Finally, it is important to know about these risks to stay safe.

Paragraph (2) Safety tips to help people stay safe online

Topic sentence:

There are some tips that help people to stay safe online

Supporting details:

- Clicking on strange links
- Sharing passwords
- Checking website security
- Talking with strangers

Concluding sentence:

Finally, these safety tips can help keep information safe.

Being online

There are some common risks when using the internet. There are many fake people, e-mails and websites. Also, people may face a phishing scam. In addition, strangers online may try to trick people. Moreover, computers may get viruses. Hackers may try to steal your personal information. This information can be misused. Finally, it is important to know about these risks to stay safe.

There are some tips that help people to stay safe online. First, they shouldn't click on strange links. Second, they should check website security regularly. Third, they shouldn't share passwords with anyone. Fourth, they shouldn't talk with strangers. Finally, these safety tips can help keep information safe.

Grade 9 - 1st term 2025-2026

Writing (3)

"(AI) chatbots are increasingly becoming important part of our daily lives."
Plan and **write** a two-paragraph report of not less than **(12 sentences) explaining how Al chatbots are used in our daily lives, their benefits, and their limitations.**
Give examples from school, work, or home.
NB: (Your writing should include a topic sentence, supporting details and a conclusion)

The plan

Paragraph (1) How Al chatbots are used in our daily lives, their benefits

Topic sentence:

AI chatbots are intelligent software programmes.

Supporting details:

- Understanding what you say
- Helping students in writing
- Making lessons and quizzes
- Helping with simple jobs

Concluding sentence:

Finally, chatbots save time and make work easier.

Paragraph (2) Al chatbots limitations

Topic sentence:

However, AI chatbots have some problems.

Supporting details:

- Giving wrong answers
- Don't understand feelings
- Making students lazy
- people stop asking for help from real people

Concluding sentence:

Finally, people should use them carefully.

AI Chatbots

AI chatbots are intelligent software programmes. They understand what you say. They have many benefits. In school, they help students in writing and learning tasks. Teachers use them to make lessons and quizzes. At work, chatbots help with simple jobs. They can also answer questions from customers. Finally, chatbots save time and make work easier.

However, AI chatbots have some problems. They sometimes give wrong answers. They don't understand feelings. A chatbot is only a tool. It makes students lazy. They don't think for themselves. At work, people stop asking for help from real people. Finally, people should use them carefully.
