Hi! I'm Adam and I'm a volunteer for the Make My Wish Come True Organisation<sup>®</sup>. We help people around the globe make their wishes come true. Last year, we raised about £7,000 in three months with the fundraisers we organised.

I decided to become a volunteer when my best friend, Brian, was ill and I wanted to make him feel happy. I looked for information on the Internet and that's how I found this organisation and became a volunteer.

We organise different events to raise money. For example, at my school we organised a fundraiser and everybody had a great time. They played ring toss, they went on the Ferris wheel, they went go-karting and even bought second-hand books and clothes.

It feels great to help people who need you. Why don't you become volunteers, too?
