Read and write J for Jason, T for Trevor or B for both.

'I really like working out, but I don't like doing sports. My friend Pete told me about Brazilian *Jiu-Jitsu* and I love it! It's better than taking part in team sports. Brazilian *Jiu-Jitsu* is not like karate. In *Jiu-Jitsu* you use your hands and legs, but there's no kicking.

Pete and I usually train every Tuesday and Thursday after school at the sports club. We take part in competitions with other sports clubs and visit different places too. Next week we are going to take part in a competition in London. I can't wait!

Jason, 13, Brighton 'I really like discovering different places in my city. I find bridges, tunnels and old train stations really interesting. My older brother, Steve, likes exploring the city too. So on Thursdays after school, we usually surf the Net for new places to discover and explore.

Then, at the weekend, we go out with maps and cameras and take photos of the places we find. It's really cool and it's actually a real hobby, called urban exploration.'

Example of an e-mail about my new hobby

Hi, Ali

Thanks for your email. I hope you're fine. I'm writing to tell you about my new hobby.

My new hobby is collecting stamps. It's really fun! I usually do it in the weekends. I collected about two hundred stamps till now. I am going to collect as many as I can. My father told me that he will buy me a big album to arrange my stamps in it.

Guess what! We are going to visit Britain next month! I can't wait.

Write soon and tell me about your hobby!

Bye for now!

Khaled

Write a short paragraph about the activities you are going to do at the weekend, and explain why you like them, as in the example.

On Friday, I am going to take part in Recycling Day because I think it is important to care about the planet and keep our town clean.

Example of a paragraph about the activities I am going to do at weekend:

On the next weekend, I am going to visit my grandparents in the farm. I am going to help my grandfather collecting his crops because I like farming. Also, I am going to help him seeding the wheat. Moreover I am going to help my grandmother feeding the sheep and milking the cows. I am going to do other activities like playing soccer and reading a new story because I like reading too much.
