Reading Comprehension

Directions:

Read the following passage, then answer the following questions:

1. Have you ever thought about the benefits of reading? In the past years, the use of television and the internet has increased; this situation has caused many people to change their likes and the way that they enjoy their free time. Because of television and the internet, many people spend less time reading, so the purpose of this essay is to present reasons why people should read more.
2. The first reason that I give you to enjoy reading is that when you read, you can expand your knowledge. There are several good books in which you can find history, novels, tragedies, comedies, and a variety of other themes. You can see that people who read more often frequently have a bigger knowledge of life.
3. The second reason to read more often is that travelling through books you can have fun, and even parents can read a lot of tales to evoke their children's imagination. Adults should try to keep this ability so they don't forget the importance to use imagination. Imagination represents a tool that could help you develop your professional career in a creative way.
4. The third and the most important reason, you always can expand your vocabulary and the ways to express your ideas to the others in a simple and correct way. You can improve the communication by reading higher leveled books. This will allow you to gain greater fluency in your communication.

Read the following passage, then answer the following questions:

The Hero

1. I was flying home from New York. I was looking forward to seeing my family. I had been away for a week I missed my children.
2. The plane took off on a bright morning then after three minutes there was a big trouble. I saw a fire outside, one of the engines was on fire I said to the woman next to me we have to go back. We're going to crash. The woman was so worried. She couldn't talk, then the stewardess came and told us we need to land." It will be hard. So, brace yourselves. put your head down hold tight she sounded brave but her face was so worried still she was doing her job taking care of us I looked at the woman next to me I said I hope we're okay let's pray for the best I believe people should help each other so I will pray for you too
3. I was praying to be saved when there was a big thud. Suddenly, the plane had hit something. Later, I found it was the river. When I got out of my seat, there was another passenger just standing there. He was dazed." Take my hand," I said. " Let's go". So, I pulled him along as I went to the emergency exit. Then we were on the wing of the plane. We were standing in the river. I was too surprised to think about anything. Then we got on a rescue boat. I hugged the fireman on it.
