

## Enrichment worksheets (Grade 9)

### A) Read the following text and answer the questions:

My day begins when my mother wakes me just before dawn to do my prayers. Then I make a cup of tea myself and do some school work. After that, I have my breakfast my mother prepares and walks to school. It takes about ten minutes to get there. The first class begins at 7:00. After the third class, we have a 30-minute break, which gives us enough time for some refreshment. After the final class of the day, which ends at 1:00, we get back home. I have my lunch and take a nap. Then I play football for a short time and come back to do my homework and prepare my lessons.

I spend my evenings in many ways: sometimes I go with my friends to the city center or the **club** to play football or tennis. On some evenings, we go to wander around looking at interesting shops. On other evenings, I stay at home and watch TV. Whatever happens, I go to bed at eleven o'clock at least.
