Reading / Part 1: Comprehension

Directions:

In this section, you will read a passage and answer 3 selected response questions and 2 constructed response ones. Be sure to put your answer in the space provided.

(1) For two months, I have been trying to decide who makes the best ice cream. I have narrowed it down to my four favourite manufacturers: Randolph Farms, Goodies, Disco, and Twinkle. Let's start with Randolph Farms. Randolph Farms makes very good ice cream. They have lots of different flavours, but this doesn't really matter to me. That's because I always get coffee flavour. They make the best coffee ice cream in the world. I've never had hot coffee (the drink) but people tell me that Randolph Farms coffee ice cream tastes delicious. They say that it is just like the real thing because Randolph Farms use all-natural ingredients to make their ice cream. This is a good idea, I think.

(2) Second, we have Goodies. Goodies make excellent ice cream. Like Randolph Farms, Goodies use all-natural ingredients. They only make three different flavours strawberry, vanilla, and chocolate, but they make them very well. The strawberry is amazing. Every bite of it reminds me of the strawberries that I used to pick behind my old house. The vanilla is wonderful. It is very smooth and has a refreshing, creamy taste. The chocolate is **outstanding**. It is made with real cocoa beans from Bolivia. I didn't know where Bolivia is, so I decided to look for it on a map. After hunting awhile, I discovered that it is in South America! That's a long way to go to get cocoa, so it must be good. I would say that the only drawback to Goodies ice cream is that they only make three different flavours.

(3) Third, we have Disco. Disco ice cream is okay. They don't have many good flavours. Actually, the only Disco flavour I like is Bubble-gum. It is vanilla ice cream with little chunks of bubble-gum in it. After you eat the ice cream, you can blow bubbles with the gum. That's pretty fun.

(4) Finally, there is Twinkle. Twinkle ice cream is ordinary. The only good thing about Twinkle is that it is relatively inexpensive. You can buy a whole carton of twinkle ice cream for \$4.50. That's only two weeks' allowance for me.
