#### This is what someone wrote on a hotel review website

Our room at Millie's Hotel room was fantastic and beautifully decorated with all the things you need - there was even a coffee machine in the room and the beds were so comfortable; we slept like a log! We had a balcony to sit on in the evening with a marvelous view over the whole city and the bay. There's also a roof terrace.

Breakfasts were delicious, in fact there was too much food for us to finish it all! There are lots of restaurants nearby which are **good value** and serve a good variety of different food.

All the staff were friendly, especially Jose who helped us when we arrived. They even brought some chocolate to our room on the last night.

The hotel is located in the middle of the town, very close to the shops and the beach, but it's on a quiet street so it's not noisy.
