

## Writing (1)

“Despite the dangers that people may face on their expeditions, still they have the desire to go on such journeys”. **Plan** and **write** a report of two paragraphs (not less than 12 sentences) about **(Expeditions)** explaining **the dangers of going on expeditions and the qualities of those people.**

**NB: (Your writing should include a topic sentence, supporting details and a conclusion)**

## Expeditions

An expedition is a special journey with a particular purpose. Although expeditions are interesting, there are many dangers. First, there are many dangerous animals that prey on humans. Second, the bad weather causes many problems. Third, the explorers have to walk for long distances. They may suffer from food and water lack. Finally,, they may get lost or injured.

Expeditions are mental and physical challenges. There are some qualities of explorers. They have to be physically strong. They should have determination and strong will. They have to be well prepared and know how to work as a team. All in all expedition is a great way to see the world.
