3 IN A ROW

How to play:

1. Each player chooses a different colored crayon.
2. On your turn, roll the die and read the corresponding grammar rule.
3. Find a verb that matches the grammar rule. Make a sentence using past simple and color the square with your crayon.
4. Win a point if you get three squares in a row (vertically, horizontally or diagonally) in your color.
5. The person with the most points at the end wins!
