-Read the following passage carefully, then answer the questions below:

Some people think you need a big kitchen to cook delicious meals. But, you can make easy and delicious meals outside over a campfire. One easy campfire meal is baked potato. You wrap the potato in tin foil and put it under the flames in the hot ashes. After an hour, the heat from the fire will cook the potato. Open up the tin foil package and you have a baked potato!

It is also easy to roast food over campfire. You can put hot dogs or sausage on sticks and hold them in the fire. The flames will cook the meat. For dessert, you can roast marshmallows on sticks. Hold them near the fire until they turn golden and begin to melt. But do not leave anything in the fire for too long, or it will turn completely black and taste like ashes.
