Rosie loved watching the night sky. It shined with so many stars. Sometimes, she would climb onto her father's shoulders. She would feel like a princess, sitting closer to those stars. One afternoon, her father asked her if she wanted to go to the beach. She was happy to go there to see her shiny stars.

So they went to the beach. But it was cloudy that night and there were no stars in sight. "Let's see what happens tomorrow" the father said and they went back home. The next evening, they went to the beach again and Rosie gathered seashells. Suddenly, she found something very strange. It looked like a big, orange star. "Had it fallen from the sky? And why wasn't it shining?" asked Rosie. "It's not a star," the father smiled. "It's a starfish. It lives in the ocean." Rosie didn't wait the stars to come out but she took the starfish home. Now, she loves both of them.

**B – Reading Comprehension ( 14 Marks )**

**Read the following and answer the questions:**

"The world is a book and those who do not travel read only one page," Said St. Augustine. Travelling is something which people do every day. It is very difficult to keep away from the need to travel. It may be a trip to school, university or to work. Travelling can often take a long time, especially when great distances need to be covered. People often enjoy travelling abroad for holidays. But for some people travelling is not fun because **they** suffer from travel sickness. They will become unwell each time they travel.

Travelling can be either cheap or **costly**. It often depends on how far you want to travel and the choice of transport. Using a bicycle will not cost anything as you power it by using your legs. However, the use of a bicycle can be hard work and can take a lot of time to travel long distances. Cars and motorcycles are faster modes of transport, but are expensive to use as gasoline is needed for them to work.
