Report

WRITING

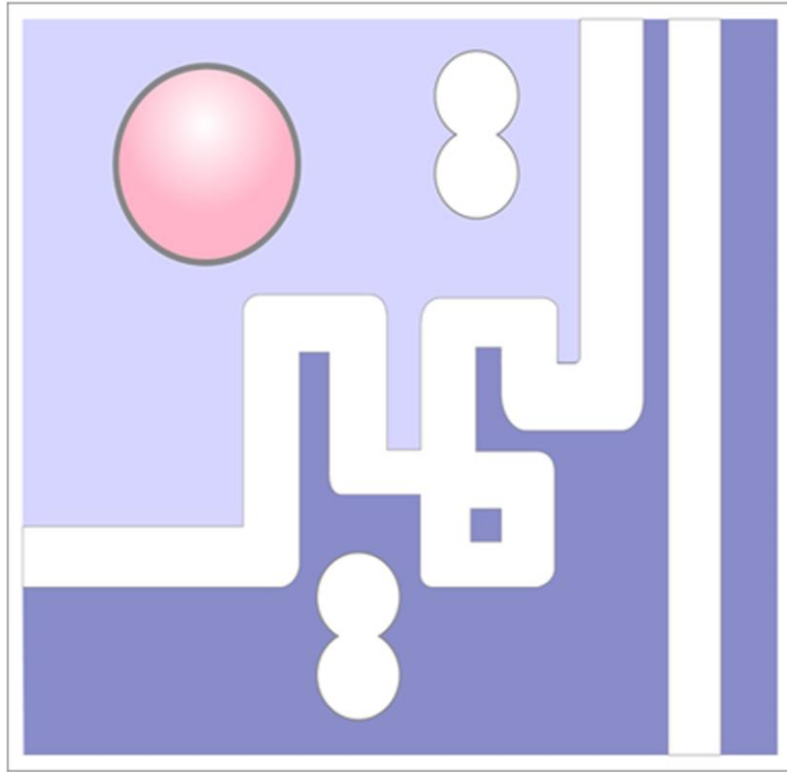

You have been on an expedition across the desert with your friends. Plan and write a report of two paragraphs (not less than 12 sentences) about the reasons behind your journey and the challenges you faced. * Your writing should include: a topic sentence, supporting details and a conclusion.

Outline

**My expedition across the desert**

Last year, my friends and I went on an expedition in the desert. We made it for different reasons. First, we wanted to escape the familiar. Second, we needed to embark on a cultural quest. Third, we wanted to discover new things. Fourth, we liked to acquire new skills. Finally, we dreamt of gaining fame.

We faced many challenges during our expedition. First, we faced the bad weather and wild animals. Second, we ran out of food, water and fuel. Third, we went through sand dunes. Fourth, we lost some equipment during the journey. Besides, some of us got sick. The expedition was tiring, but it was useful.
