

Grade 6 - Elite Stream English - Pop Quiz 2

Name		Class		Date	
------	--	-------	--	------	--

Part 1

Read the text and match the sentences to the correct text. Choose **A**, **B** or **C**.

There is one example.

Unusual Jobs

A

Usually your pizza will be delivered by bike or car. However, if you are staying at an underwater hotel, your pizza will be delivered by a diver. The pizza is put into a case to stop it from getting wet and the diver swims to the hotel. Only one person is needed to do this job because there are not a lot of orders for pizza delivery underwater.

B

A stuntman works on TV and in movies. They do the dangerous things an actor cannot do. Most stuntmen have many special skills. They can drive cars really fast, ride horses or jump out of airplanes. Stuntmen start by doing smaller stunts like jumping through windows and then they move onto more extreme stunts like jumping from buildings that are on fire.

C

An aquarium is like a zoo for fish. You can see lots of fish in glass tanks, including sharks. A shark tank cleaner has to be very brave because their job is extremely dangerous. They wash the glass from inside the tank while the sharks are swimming around them. For this job you must study sharks and dive really well.

Example: You can see the people who do this job on TV. B

- 1. People who do this job have to learn about an animal.
- 2. People may need a parachute to do this job.
- 3. A really small number of people do this job.
- 4. This job gets more dangerous as people get better at it.

Part 2

Read the text and choose the correct word to fill in the gaps. Choose **A - H** to fill each gap. Each word can be used only once.

There is one example.

The UAE Before Us

Did you know that there is a lot of (**Ex.**) **D** all over the UAE? In Dibba, Fujairah, scientists have found many old things that people used over 3,000 years ago in (**5**) _____ times. These items range from cooking pots to jewelry, swords and gold. With all these items the scientists also found the bones of over 200 humans. This is (**6**) _____ because no houses have been found. These sites have been found along the Fujairah coast.

Near Al Ain, the ruins of (**7**) _____ very old settlement, a place where people lived, were discovered in the 1970s. It is called Hili 8. Here, scientists have found broken pots and bones from cows, goats and sheep. (**8**) _____ people who lived there dug holes in the ground for water and also a metal called copper. It was used to make different tools and weapons.

Scientists think that these humans traded (**9**) _____ food and materials with other traders, who came from across the desert. The more the scientists find, the more knowledge we will have about the past in the UAE.
