## Picture Graph - Richard's Farm Animals

Richard, a farmer, owns some farm animals. Picture graph shows the number of animals he has in his farm. Use the picture graph to answer the questions.

Richard's Farm Animals

|  |  | + |  |  |
| :---: | :---: | :---: | :---: | :---: |
|  |  | $\operatorname{cin}_{x \rightarrow}$ |  |  |
|  | $\begin{array}{cc} 15 & 8 \\ 2 x & -20 \end{array}$ |  |  |  |
|  |  |  |  |  |
| $2^{2 \pi}\left(\frac{\pi}{4}\right.$ | $\begin{aligned} & 15 \nabla^{8} \\ & 26 \\ & 208 \end{aligned}$ | x $\times 8$ | $1$ |  |
| Goat | Cow | Chicken | Horse | Pig |

1) Which animal is fewest?
2) How many goats are there?
3) Are there more chickens or cows? $\qquad$
4) Which animal counts to 2 ? $\qquad$
5) How many animals are there in the farm?
$\qquad$
$\qquad$
